

Ensure the Future of Our Industry

Become a Next Gen Champion

Show the industry that your company is a **Next Gen ATM Champion**. Your contribution will enable the Consortium for Next Gen ATMs to complete its mission, including the development of new global standards for interoperability for a new API App model for future ATMs, according to the Standards Roadmap. You will be respected and admired as an industry leader in the greatest ATM future-proofing exercise in living memory.

Choose from these 3 options:

CONTRIBUTOR Champion: \$1,200 USD

benefits...

- Company Name Listed on the Next Gen Web Page
- Use of ATM Next Gen Logo on Your Company Marketing Materials
- *20% discount on Next Gen Self-Certification*

SILVER Champion: \$5,000 USD

benefits...

- Contributor Benefits PLUS
- Recognition at Events
- Company Logo on Communications by the Next Gen Committee (e.g. website, e-mails)
- Special Eligibility to Enter to Win Next Gen ATM Awards
- Promotion of Your Company as a Next Gen ATM Champion to the Investment Community

GOLD Champion: \$10,000 USD

benefits...

- Silver Benefits PLUS
- All Intellectual Property of the Consortium including Best Practices, Business Value Propositions and Research Reports Commissioned by the Consortium
