

# ATM PURCHASE PROGRAM

## REDUCING YOUR ATM OPERATIONAL COST

It is becoming more expensive for banks to run ATMs and provide their customers with cash: some banks are looking to remove ATMs from their estate, including those from proposed branch closures; other banks need to reduce significantly the OPEX cost of ATM ownership.

Euronet can help.

Euronet Banking Solutions can partially or fully purchase your current ATM fleet; or run your ATM business for you at a significantly lower OPEX.

- We take full responsibility for all operational, regulatory, compliance and security functions - including CIT - and ensure ATM business continuity
- Outright purchase of the Bank's ATM Network
- Option to purchase only the Bank's off-site network
- Business continuity with same customer experience
- ATM cost offloaded from Bank's balance sheet
- Fully Managed / Outsourcing Service
- Buy back options
- Flexible branding
- Connectivity to Euronet's Global ATM network, offering your clients low-cost access to 50,000 ATMs
