The ATM Industry Association is a global non-profit trade association with over 1,200 members in 50 countries. Our mission is to promote ATM convenience, growth and usage worldwide, to protect the ATM industry's assets, interests, good name and public trust; and to provide education, best practices, political voice and networking opportunities for member organizations. In June 2003, ATMIA established the Global ATM Security Alliance (GASA) with the mission to employ global security resources in a united alliance in order to protect the ATM industry from criminal activity
