Dear Mr. Trapp,

**Re: Distribution of OPP flyers regarding ATM Thefts**

Ontario Provincial Police (OPP), Community Safety Services, works closely with community partners to develop and disseminate crime prevention materials across the province through our local detachments with the intent on educating and providing awareness to our communities in relation to crime prevention and safety programs.

Recently, the OPP received an inquiry from you, on behalf of ATM Industry Association (ATMIA) Canada and Access Cash General Partnership concerning information flyers that were created by OPP members in our West Region and also concerns about an article in print media that discussed OPP investigations of Automated Teller Machines (ATM) thefts.

Thank you for advising us of your concerns with the materials. Please note that OPP Community Safety Services will work with you, ATMIA and Access Cash General Partnership to ensure that moving forward, the content of our ATM-related information flyers reflects the needs of the communities and our community partners.

Thank you for the opportunity to work with you on this project.
