

CASH DEPOSIT ATMs

Extend your bank customer reach with more services

Self Service Banking Solutions are becoming center stage as a result of Banking restructuring and digitization initiatives. The advent of cash recycling technologies transform the traditional ATM model and allow for cash deposits by Bank Customers at a time and place of convenience. The Bank offloads operational costs and complexity from the branch while offering a valuable convenience service to its customers.

Euronet operates the largest Cash Deposits ATM network in Europe with more than 3,000 ADT's. Our Cash Deposit ATM Solutions are ideal for Banks, willing to offer an extended service to their customers and enhance the touch points and user experience.

- Ideal for Bank SMB and Retail business segments
- Accessibility to existing Euronet Cash Deposit ATMs
- New Cash Deposit ATMs deployed with the Bank
- Customer ownership remains with the Bank
- Possibility for bank branded screens flow
- Ease of implementation
- Connectivity with Bank System, real time and online options
- Customer access to off-Branch Cash Deposit ATMs
