Your Subscription**

**Offer Only Until
March 31, 2020**

“ Security creates trust and trust drives consumer transactions. The ATM Security Association brings real value to the ATM industry by studying the threat landscape and bringing the industry together, with law enforcement and intelligence agencies, to combat crime. ”

– Mike Lee, CEO, ATMIA & President, ATM Security Association

WHAT WE DO

Monitor and coordinate intelligence about criminal activity and ATM threats to create security standards, focused on the self-service channel.

OUR MANDATE

To design responses to on-going criminal activity targeting the industry by focusing on attacks that impact ATM usage and operation, globally.

WHO WE SERVE

Global manufacturers, suppliers, service providers, deployers and financial institutions to establish a 'one stop shop' for ATM security.

KEY BENEFITS

- Faster, more comprehensive information on ATM threats
- Collaborate on countermeasure recommendations
- Influence the development of new security solutions
- Participate in the standardization process
- Networking with other industry stakeholders
- Comprehensive ATM security best practices

ATM SECURITY WORKING GROUPS

- ATM Security Discussion Forum
- ATM Cyber, Software and Encryption Security Alliance
- Next Gen ATM Security Committee
- Cassette Security Committee
- ATM Skimming & Card Data Compromise Forum
