Dear Sandra

Thank you for your letter dated 4 December 2023. Thank you also for bringing to my attention the work that ATMIA does in Australia, as well as highlighting some of the benefits of why cash is important as a payment method.

Bunnings does not currently have any intention to go cashless. We will continue to offer our customers a variety of payment method options, whether that be paying with cash or card instore, or purchasing online.

Thank you again for reaching out.

Yours sincerely,
