

Solutions for Independent ATM Operators

Kahuna ATM Solutions is the ATM Industry's only business development service company dedicated to the success and profit maximization of ATM ISOs and distributors. We are committed to serving the needs of ATM distributors, ATM operators, and ATM portfolio managers. We help businesses in the ATM industry achieve more profitability...period. We partner with our clients to help them make and save money. We provide complete and comprehensive ATM solutions for ATM sales organizations and deployers of all sizes.

The Kahuna Difference:

- The Best Industry Value based on service levels, options, and pricing
- Highly secure, company-owned ATM processing
- Comprehensive service and support options
- Trusted industry expertise with staying power
- Not just a Provider, but a partner toward delivering the best service

Kahuna allows you to concentrate on the profitable areas of your business by doing what you do best... selling. We provide secure processing, back-end accounting solutions, online reporting, payments to merchants, cash assistance, technical service, and more.

ATM Solutions

Cryptocurrency: Kahuna and LibertyX enable your customers to make cryptocurrency purchases right at your ATMs

ATM Equipment: We sell and operate ATMs from most major manufacturers, and can provide wireless telecom solutions, parts and supplies for most types of gear

ATM Processing: Our highly secure processing platform is one you can trust, and our volume advantage means improved pricing, and profits, for you

ATM+: Kahuna also offers a suite of advanced functions and services that extends the potential revenue generated by your ATMs

Support Services

When you work with Kahuna, you are never alone! We provide extensive support services with a full a la carte menu of options available based on your individual needs and challenges. From cash monitoring to equipment financing, from maintenance services to online reporting and tracking—Kahuna has the tools to make you successful. What you can't do on your own, you can do with Kahuna ATM Solutions as your partner! By leveraging our partnership network, you get the best options and best pricing in the industry.
