

NCR SelfServ™ 20

Compact retail cash dispenser

Connecting the world with cash

When it comes to running the ATM, NCR will take care of it all so you can get back to business. We'll install a reliable, secure ATM and run it for the long-haul, providing cash management, transaction processing, maintenance and servicing to keep the channel running smoothly.

Small but mighty, the NCR SelfServ 20 performs brilliantly in locations where cash is in constant demand and is designed to handle constant transactions, while taking up a smaller footprint in your retail location.

Experience

Enabled by multi-touch display, the SelfServ 20 empowers a digital-first experience at the ATM, mirroring a tablet-like interaction at the self-service channel.

Availability

ATM uptime matters. SelfServ 20 is powered by the Hawk Dispense Module, capable of meeting dispense needs in a variety of retail locations. With a small footprint, SelfServ 20 will fit where space is constrained. NCR's tried, tested and proven technology, means SelfServ 20 is easy to service and get back up and running in the field.

Security

Security at the ATM channel is not an option. With SelfServ 20, you have a choice of security levels to support your attended ATM environment.
