The Exhibitor must read the document and return all items on time to be included in all exhibitor benefits.
- Membership:** In order to receive the member rate, the exhibitor's ATMIA membership must be current at the time of the event. If the membership lapses or the company chooses not to renew ATMIA membership, ATMIA has the right to charge the non-member rate.
- Assignment of Exhibit Space:** As a general rule, ATMIA will assign booths on a first-come, first-serve basis. ATMIA reserves the right to assign or relocate exhibit areas or reconfigure the exhibition area for the betterment of the show or otherwise in its sole discretion. Exhibit space assignment shall be conditional on payment in full of all amounts due. The exhibit space assigned to exhibitor is for the use of the named exhibitor only. Exhibit space sharing in whole or in part with any third party is expressly prohibited.
- Exhibitor Badges:** All exhibitor badges issued by ATMIA for exhibitors shall be for the sole use of exhibitor personnel identified in advance to ATMIA. Sharing of badges is not allowed.
- Terms of Payment:** Any registration submitted to ATMIA must be accompanied by the appropriate payment based on the amount due. Returned checks will result in a \$50.00 returned check fee and all future payments by the exhibiting company must be by cash, credit card or certified check.
- Cancellation by Exhibitor:** If the exhibitor cancels from an event, the fees paid cannot be transferred to another event or membership of ATMIA. **An additional \$250 fee will be assessed if the refund is to be issued by check or wire.** The following refund policy will be enforced:

<u>Timeline:</u>	<u>Amount Refunded:</u>
90+ days prior to the event	\$1,000 administrative fee will be deducted
45-90 days prior to the event	50% cost of booth
<44 days prior to the event	no refund
- Event Cancellation by ATMIA:** In the event that ATMIA to cancel an event, ATMIA will refund only payment made directly to ATMIA and will not be held responsible for other costs of expenditure incurred by the sponsor/exhibitor/ advertiser. If ATMIA determines that the event was cancelled due to 'acts of God' we will refund only payments made to ATMIA for that event. ATMIA will not assume additional costs and liability that result from "acts of God" or criminal activity. All refunds will be issued within six weeks of receipt of written cancellation.
- Exhibitor Cancellation by ATMIA:** Exhibit space may be cancelled by ATMIA for failure to make payments when due or failure by exhibitor to comply with this Agreement or the applicable rules and regulations hereunder. If an exhibit space is cancelled by ATMIA, exhibitor shall forfeit all payments made and ATMIA shall have the right to rent such cancelled space to another exhibitor in its sole discretion without mitigation of such forfeited amounts.

- Security:** In no case will ATMIA be responsible for theft, loss or damage to exhibitor's products, exhibit space, or display. Exhibitor agrees that it is wholly responsible for protecting its property on and off the venue premises. ATMIA will provide security in the exhibit hall when it is closed.
- Suitcasing Policy:** ATMIA appreciates the support of our attendees and sponsors at our industry events. As such we are increasing measures to protect our events from the opportunistic and unprofessional practice of suitcasing/outboarding. ATMIA has adopted a zero tolerance policy regarding suitcasing. Suitcasing is a parasitic business practice where companies gain access to an event and solicit business in the aisles or other public spaces used for the conference, attempting to gain commercial value from a business event to which they contribute nothing thereby undermining the overall value for paying sponsors, exhibitors and delegates. This practice undermines the event and the industry. ATMIA recognizes that suitcasing may also take place in a hotel guest room, hospitality suite, restaurant, or any other public place in proximity to our event. For the purposes of this policy, suitcasing violations may occur at venues other than the exhibition floor and at other events. It is for this reason ATMIA must be informed of any hospitality suites, and expressed consent must be given prior to the event.
- COVID-19 Disclaimer:** ATMIA Conferences, active for over two decades, has taken enhanced health and safety measures for our events in the pandemic, and beyond, with your health interests in mind. Please note that you should follow all the association's public health instructions while attending ATMIA events. An inherent risk of exposure to COVID-19 exists in any public place where people are gathered in groups. It is well-known that COVID-19 is a contagious disease that can lead to severe illness and death. By attending ATMIA events, you voluntarily assume all risks related to exposure to COVID-19. We urge you to comply with our public health guidelines during this event – so that we can all do our best to prevent any unnecessary spread of infections.
